## SCHOOL OF MUSIC

A MESSAGE FROM DR. CHRISTOPHER DOANE,  
*Dean, School of Music*

On behalf of the School of Music and our students, faculty, and staff, it is my pleasure to welcome you to the events of the UofL School of Music's Jazz Fest 2009. The Jamey Aebersold Jazz Studies Program faculty has organized a wonderful array of concerts that will bring the eyes and ears of the Louisville community to the University of Louisville. A combination of concerts and master classes featuring established and emerging jazz artists provides opportunities for audiences to experience the past, present, and future of jazz in the United States and around the world.

The lineup of events and artists appearing during this special series of concerts is truly remarkable. The School is especially pleased to welcome back to Louisville our UofL alumnus, the celebrated flutist James Walker, as well as our other special guest artists Pat La Barbera, Dave Samuels, the Davide Logiri Trio, the Army Blues, and 2009 NEA Jazz Master honoree Lee Konitz. We also want to welcome the 2009 Open World Jazz Combo from Russia and acknowledge the special support we receive from the Open World Leadership Center of the Library of Congress and the National Endowment for the Arts that makes their appearance in Louisville possible. Finally, we thank our panel of adjudicators and clinicians who give such great service to the School of Music and Jazz Week through their work with our visiting high school jazz bands. In addition to the opportunity to showcase some of the finest jazz performers working today, these events are all about providing educational opportunities for our students at UofL, community members, and jazz students in our region. So, to all who contribute to this critically important part of this festival, please accept this acknowledgment and our thanks.

All our performers and teachers this year join a long list of previous Jazz Week artists who make up a veritable "who's who" in the contemporary jazz world. We're proud to offer Jazz Fest as one of the major annual events in the musical life of the University and our community, recognizing the unique contribution of jazz to our culture, both locally and throughout the world.

We hope you enjoy your visit to the University of Louisville.
